	APPROVAL OF STATE ENGINEER				
			. 48		
follo	This is to certify that I have examined the foregoing application, and do hereby swing limitations and conditions: This permit to change the point of diversion				
	underground source as heretofore granted under Permit 5089 the terms and conditions imposed in said Permit 50897 and that no other rights on the source will be affected herein. The well shall be equipped with a 2-inch opening must be installed and maintained in the discharge pipe diversion and accurate measurements must be kept of water use. The totalizing meter must be installed before any use or before the proof of completion of work is filed. If valve must be installed and maintained to prevent waste, within an area designated by the State Engineer pursuant State retains the right to regulate the use of the water and all times.	7 is issued subject with the understand by the change propo and a totalizing me line near the point r placed to benefic se of the water beg the well is flowing This source is locat to NRS 534.030. herein granted at	to ing sed ter of ial ins , a ted The any		
	This Permit does not extend the permittee the right of ingress and egress on public, private or corporate lands. The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies. The issuance of this permit totally abrogates the water right under Permit 50897. If this permit is cancelled or withdrawn, the water right will revert back to the source and not to Permit 50897 or Permit 18853, Certificate 5881.				
	The total combined annual duty under this permit and all other groundwater rights held by Carson City within the Eagle Valley Groundwater Basin shall not				
The	exceed 6602 acre-feet. amount of water to be changed shall be limited to the amount which can be appropriately stated to the amount which the amount which can be appropriate				
	cceed	•			
	acre-feet per year.				
	k must be prosecuted with reasonable diligence and be completed on or before				
	of of completion of work shall be filed before.				
	lication of water to beneficial use shall be made on or before				
	of of the application of water to beneficial use shall be filed on or before
